The final installment of the three-book set of world religions and cults! This final book in the series focuses on the atheistic or humanistic type of religions. It would be one of the most valuable for the church in the Western World where anti-god and pro-evolution religions are beginning to explode, for it was written to refute those religions and show how they fail. Unlike most books on world religions, this title dives into the secular humanistic religions. The book starts with Godâ€™s ...
