"World Without Mind is an argument in the spirit of those brave democracy protestors who stand alone before tanks. Franklin Foer asks us to unplug and think. He asks us to recognize and challenge Silicon Valley's monopoly power. His book is a vital response to digital utopianism at a time when we desperately need new ethics for social media." (Steve Coll)

World Without Mind " Franklin Foer. World Without Mind " The Existential Threat of Big Tech. Over the past few decades there has been a revolution in terms of who controls knowledge and information. This rapid change has imperiled the way we think. Without pausing to consider the cost, the world has rushed to embrace the products and services of four titanic corporations. We shop with Amazon; socialize on Facebook; turn to Apple for entertainment; and rely on Google for information ...

Rather, he is a veteran journalist whose book "World Without Mind," describes the world we already live in, but whose power dynamics we have, as a species, almost unanimously failed to grasp. The consequences for continuing to Snapchat and Facebook IM our lives away in blissful ignorance are likely to be profoundly disturbing, but they are also easy to avert.
