The Self-Made Map: Cartographic Writing in Early Modern France

This volume of the Writing History series examines how theory has contributed, both explicitly and implicitly, to the writing of early modern history. It focuses upon neither abstract theory nor historiography per se, but upon the practical application and influence of theory in early modern

Writing Early Modern History | History On-line

'Writing Rape, Writing Women is widely recognised as among the most original and nuanced accounts of sexual violence in early modern literature. Jocelyn Catty illuminates the connections between the sexual subjection of women, the construction of female subjectivity in writing, and women's literary agency. More relevant and thought-provoking than ever in its explorations of the meanings of rape, this updated edition is essential reading on women and writing in the early modern period.'
