Your Cat Simple New Secrets To A Longer Stronger Life [PDF

Caring for your kitten ESSENTIAL GUIDE 15. Kittens are adorable, fun and unique, but it is important to remember that providing a home for a kitten is a commitment for its lifetime, which may be 15 to 20 years. Before you take on a new kitten, there are a few things to consider. Kittens are very mischievous, full of energy and often time consuming. If you are particularly keen to protect your ...

Home » advice » general care » Getting a cat » Helping your new cat or kitten settle in. Helping your new cat or kitten settle in For settling in an adult cat see below Helping kittens to settle in. Experiencing a brand new home is daunting for a tiny kitten. Every kitten has a unique personality; some are shy while others are confident. Whatever their character, this is potentially a ...

Helping your new cat or kitten settle in | International

chance that your new cat might knock them off shelves or tables and close all cabinets and closets where your cat might hide. Next, set up a single room as a home base for your cat. Cats are territorial animals, and for a new cat, too large a territory can be overwhelming. By keep-ing your new cat in a small area you will be providing a less stressful introduction to your home. For most cats a ...

Everything You've Always Wanted to Know About Cats

See: Introducing your cat to a carrier (PDF 247 KB) Cats need time to adjust and settle if you move house. They could get into serious danger trying to return to their previous home.

Cats, Providing a Suitable Environment | RSPCA

Your veterinarian will be able to assess your new cat or kitten and determine the best diet. Factors such as age, activity level and health make a difference in what and how much a cat should eat. Factors such as age, activity level and health make a difference in what and how much a cat should eat.
