

zero the story of pdf

This paper is about the language of zero The initial two sections deal with both the spoken and written symbols used to convey the concepts of zero Yet these alone leave much of the story untold. The sections on computational algorithms and the exceptional behaviour of zero illustrate much language of and about zero

board. After the introduction of the zero symbol, the counting board could be retired. Al'Khwarizmi describes the Indian place-value system of numerals based on 1,2,3,4,5,6,7,8,9 and 0. This work was the first in what is now Iraq to use zero as a place holder in positional base notation. Many Europeans learned about essential role of zero and the decimal place value system from Latin ...
